NOTICE TO CLIENTS CUSTOMER IDENTIFICATION PROGRAM NOTICE

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal law under the USA PATRIOT ACT requires each broker dealer to establish and maintain a Customer Identification Program as part of its anti-money laundering compliance program. All financial institutions are required to obtain, verify and record information that identifies each person who would like to open an account.

What this means to you...

For a U. S. citizen: When you open an account, we will ask for your name, address, date of birth, tax identification number and other information that will allow us to identify you. Please provide us with a copy of an un-expired government issued document such as your passport or drivers licence.

For Institutional Accounts: Please provide us with identifying document(s) proving existence of the entity such as Certified Articles of Incorporation, Certificate of Incorporation, Trust Agreement, LLC Agreement, Partnership Agreement, or a government issued business licence.

For Broker Dealer Accounts: Please provide us with a Form BD.

If the above requirement(s) are not provided, we may not be able to open your new account or be able to maintain your existing account with our firm.

We appreciate your understanding. Please direct any questions or comments about this notice to Compliance at 604-685-2450.
